2007 Driving School Application

This is not a racing school. It is a high speed driving school, on a racetrack, under close supervision by instructors. While the overriding consideration during the operation of the event is safety, incidents may occur that could cause vehicle damage and/or personal injury. You will be driving in a class session with other students and instructors whose vehicles may be uninsured and/or unregistered. You are totally responsible for the safe operation and safe mechanical condition of your vehicle. BMW CCA, the Sin City Chapter, its officers, instructors, staff and facility providers assume no responsibility in the event of an accident in the course of this event nor will a refund be granted. If this is of concern to you, we recommend that contact your own personal insurance carrier for advice to determine what coverage would be in effect during this school. Submission of the application is your acknowledgement of the above and agreement to attend under these conditions.

What

This is a high performance driving school, held under close supervision by trained instructors. If you have never attended a BMW CCA high performance driving school before, see our chapter web site at www.sincitybmwclub.com. Click on the Driving School page and look at "What is a High Performance Driving School?" and "Why Should I Attend a High Performance Driving School?".

Who Can Enter?

You must be a member of the BMW CCA. Not currently a member of BMW CCA?

Call the BMW CCA National Office at 1-800-878-9292 M - F 8:30 - 5:30 EST or go on-line at www.bmwcca.org.

You do not have to drive a BMW to participate in this event, however, trucks and SUVs (except for the BMW X3 and X5) are not allowed. Convertibles (soft tops or hard tops) must meet special rules regarding roll bars and safety restraints – see the chapter web site for "Driving School Policies". Two drivers can share one car, but both must pay the full fee, cannot be in the same run group, and are considered separate entries. **Applications are needed for both drivers.**

All cars must be registered, insured, and have valid license plates. Insurance regulations require that:

- * All drivers and passengers must wear helmets (Snell 00, SA or M). A limited number of rental helmets are available for D students, first come, first serve (i.e. snooze and you lose).
- * All drivers must be at least 18 and have a valid, unrestricted driver's license.
- * Spectators are allowed at the event provided they sign the liability waiver before entering the track area.

Insurance regulations specify that children under 18 must have a special parental consent waiver that must be signed by **both** parents or one parent's signature and affirmation that they have sole custody. Waivers are available on the chapter web site.

What Happens Next

Fill out the application (PDF fill-able) and mail it (please don't FedEx or anything else that requires a signature) with your check for the entry fee. Credit cards are also accepted. **INCOMPLETE ENTRIES WILL BE RETURNED!** Before the school, you will be sent a confirmation packet via e-mail on preparing your car, schedules, etc. You can cancel up to March 3, but there will be a \$35 service charge.
